

MUHAMMAD SAAD ATIQUE

Robotics Specialist | Embedded Systems | Web Developer

Email: saadrajpoot3355@gmail.com | Location: Okara, Pakistan (Serving Worldwide)

PROFESSIONAL OVERVIEW

Experienced Robotics Specialist, Embedded Systems Developer, and Web Developer with proven experience collaborating with international clients since 2022. Expert in designing intelligent hardware (Arduino, ESP8266/ESP32, sensors, motor drivers), writing low-latency embedded C/C++ firmware, creating responsive web applications, and building custom WordPress plugins and themes.

CORE TECHNICAL SKILLS

- Robotics & Microcontrollers: Arduino, ESP8266, ESP32, Motor Controllers, Biometric Sensors, Autonomous Sumo Robots
- Embedded Firmware: Embedded C/C++, RTOS, UART/SPI/I2C Protocols, ADC Conversion, MISRA Standards
- Web Development: React, JavaScript, HTML5/CSS3, Tailwind CSS, WordPress Custom Themes & Plugins, E-Commerce
- Productivity & Systems: Certified Microsoft Office Specialist (Word, Excel, Access), Git, GitHub, IoT Dashboards

PROFESSIONAL EXPERIENCE

Robotics Specialist — Saad Tech

Feb 2023 – Present | Okara, Pakistan & Remote

- Led robotics hardware engineering projects for international and local business clients.
- Engineered Cloud Biometric Attendance System with live web synchronization and custom IP telemetry.
- Built high-torque 6WD Sumo Beast combat robots with autonomous sensor navigation loops.

Web Developer — Saad Tech

Aug 2024 – Present | Remote

- Built custom responsive web apps, e-commerce electronics storefronts, and executive dashboards.
- Developed custom WordPress themes, PHP plugins, and technical SEO page speed optimizations.

Embedded Systems Developer — Pluttox Software House

2024 – 2025 | On-Site

- Designed firmware for microcontrollers used in industrial IoT and automated control hardware.
- Optimized RTOS event loops, power efficiency, and signal conversion for high reliability.

EDUCATION & CREDENTIALS

FSc in Computer Science (ICS) — Punjab Group of Colleges

Feb 2022 – Jun 2024

Matriculation in Computer Science — D.P.S & College Okara

Mar 2010 – Feb 2022

Certifications: Microsoft Office Specialist (MOS Word, Excel, Access) | MISRA Embedded Firmware
